## Kindergarten Summer Reading List 2024-2025

To encourage reading and a love for good books, Stonehaven has established a required summer reading list for incoming kindergarten students. Please read to your child *at least ten* books from the below required list of authors. We hope you will read many more than ten over the summer! One way to raise a reader is to read great books to them when they are young. Fill out the attached form for the books you read. On Friday of the first week of school, your child will have the opportunity to share about their favorite book read from the required list. I am already looking forward to this time! We hope you have an exciting, enjoyable summer of reading.

### Required Reading List

Any books by:

Ludwig Bemelmans

Jan Brett

Margaret Wise Brown

Virginia Lee Burton

Barbara Cooney
